

BASEBALL NEWFOUNDLAND AND LABRADOR

MEDIA RELEASE

July 20th, 2026

The 5th Annual Baseball NL Day is set to take place on July 25th, 2026

The 5th Annual Baseball NL Day is taking place on July 25th, 2026 with events scheduled all over the province.

Baseball NL Day is an initiative of the Baseball NL Minor Committee to help provide some publicity and support for all the exciting baseball events that occur throughout this weekend.

Some events include:

- Senior Provincials at St. Pat's Ballpark in St. John's
- 9U Jamboree at St. Peter's Field in Mount Pearl
- 9U Jamboree at Parsons Field in CBS
- Canadian Tire Female Classic in Grand Falls-Windsor
- Matt & Megan Tournament in Gander
- 11U/12U event in Bay St. George
- Jamborees in Upper Lake Melville
- Challenger Baseball in St. John's
- 19U Women's Team Training Camp in Mount Pearl and St. John's

"Baseball NL Day is a fantastic initiative to help support our local associations by getting more players out on the field and allowing us to highlight what programs are available" says Kristyn Coley, Minor Committee Chair for Baseball NL. "We are excited to have so many participating regions this year. Baseball NL continues to grow each year and we want to continue offering new and innovative programs to keep up with our membership".

We would love for the public to participate in Baseball NL Day by checking out any of the above events, taking a picture with our mascot Slider throughout the weekend or simply picking up a glove and playing catch in the yard. Event schedules will be posted on our website (www.baseballnl.com). Share your activities using the hashtag "#BNLDay26" to be eligible to win some Baseball NL prizes.
